

1. Replace a missing object with a similar one:

2. Hide a bottle of self-tanning lotion on the beach.

3. Think of a shape. Mark it on the ground. Collect all the desirable objects within the shape and document them. Place all documented things back colour or size coordinated.

4. Locate a small hole in the ground. Find some milk and cereal. Fill the hole with previously mentioned ingredients.

5. Find a sandy place. Take some sand with you. Keep this sand safe with you until you come across another sandy place. Release the sand.

6. Record a commercial clip in a supermarket. Then go to another supermarket and play the recorded track back inside the store.

7. Find a car rearview mirror. Choose your favourite scented car air freshener and hang it on the mirror. Then place the mirror on a window in a room.

8. Climb on a tree. Stay there for a while. Imitate a sound you hear. Repeat if needed.

9. Find some puddles that are close to one another. Connect them somehow.

10. Find something that reminds you of a seed.
Dig a hole. Plant it like a seed.

11. Try to explain caution to water.
